multi support®

next contracts 360

A 360 degree solution for your challenges with contracts

80% of all business transactions are based on a contract. You find contracts in: Sales, Admin & Finance, Management, Human Ressources, Property Management, Procurement, and IT. Lund Elmer Sandager and Multi Support have joined forces to bring you a 360 degree solution to your challenges.

Your typical contracts:

- Distribution agreements
- Employment contracts
- Franchise contracts
- Leasing contracts
- Logistics contracts
- Maintenance contracts
- Partner agreements
- Procurement contracts
- Project sales contracts
- Property lease contracts
- Service contracts
- Utility contracts

Your typical challenges:

- Deadlines and milestones are missed
- Contracts are not terminated in due time
- Time is wasted searching for contracts
- Personal copies of contracts exist
- Supplementary information in mailboxes
- Contracts are lost or misplaced
- Failure to comply with legislation
- EU's personal data protection act
- Standards and protocols are ignored
- Sensitive information is unprotected
- No consolidated overview of liabilities
- Unwarented risks are accepted

The promise of Next Contracts 360

Get in full control of all your contracts:

- free up resources for growth
- eliminate errors
- reduce risks

Next Contracts®
A ready-to-go software product that runs in the Cloud (powered by Microsoft Azure) or on your own servers.

Implementation

A set of predefined contract types and business processes together with all the activities to get you up and running based on best practice. Or tailored specifically to you, based on a workshop.

Support

Continuous product enhancements, bug fixes, local language help desk, and access to skilled business consultants.

Contract classification

Go all digital with your existing contracts and agreements without using scarce internal resources to get everything captured and classified.

Contract review

Reduce your risk profile by having a professional legal review of selected contracts and agreements.

Contract protocols

Get a complete new set of corporate standards for creating and managing your contracts and agreements.

Only the beginning

This is only the beginning. The initial 3 services 'powered by Lund Elmer Sandager'.

Get in touch

If contracts and agreements are important for your business, give us a call to learn how you can free up resources for growth, eliminate costly errors, and get the full picture.
